The CIA is an instrument of the Rothschild Banking cartel i.e. the "Deep State" *AMERICA'S COUPS D'ÉTAT*

Subscribe

Most people, and in particular most Americans, are unaware that the USA suffered at least a dozen COUPS D'ÉTAT, launched by the London-based "Illuminati", and that the USA is still a colony of the British Empire today.

The USA was free for only 75 GOLDEN YEARS, from 1796 (signing of the Jay Treaty) until 1871. Apart from those 75 GOLDEN YEARS, the USA was, and still remains, "THE LAND OF THE FREE RANGE SLAVE".

#1: 1812-36: The war of 1812-15 and the Second Bank of the United States

Following British interference with US trade, and impressments of Americans into the British Navy, the young USA invaded British Canada. But Britain burned the White House and may well have won if it had not been distracted in Europe by Napoleon. However, the Zionist House of Rothschild succeeded in giving the USA its first central bank in 1816. It was called the Second Bank of the United States but US President Andrew Jackson vetoed the renewal of its charter in 1836. Overall, this episode ended as a failed coup d'état. But "Team Antichrist" did not give up, and the Rothschilds sent their manservant August Belmont to help instigate "the Panic of 1837" hoping to return the USA to total control by London. Belmont even succeeded in becoming a financial "advisor" to the US president.

#2: 1861-68: The US Civil War and the 14th Amendment

The US Civil War was a successful coup d'état by the Zionist House of Rothschild, which indebted and enslaved both the Union and the Confederacy. In 1868, the 14th Amendment transformed all Americans, whether black, white, or other, from sovereigns to slaves (subjects of the English monarch). Thus, the 14th Amendment was in fact the LAUNCH OF UNIVERSAL SLAVERY in the USA. But, because "Team Antichrist" is totally addicted to satanic inversion, it teaches the very opposite in the "education" system and in the official-"truth" "history" books.

#3: 1871: The Establishment of the US Corporation

Abraham Lincoln-Rothschild had helped his "Illuminati" relatives, the London Rothschilds, to prepare the way for setting up the US Corporation, but the Rothschilds

still assassinated him because he kept the union and hence foiled their original plan for two separate Americas. The US Corporation was a successful coup d'état. It is still owned by the Bank of England, with most US taxes still "managed" by the City of London and used to finance artificial wars and financial "crises". But because the main enslavement mechanisms also include a central bank and taxation (notably income tax), "Team Antichrist" still had more work to do to completely subjugate the USA.

#4: 1913-17: The US Fed and the Great Media-Grab

The creation of the US Fed in 1913 was a successful coup d'état to establish a London-controlled central bank for the USA. The Fed and the Bank of England are owned and run by the same Jewish "Illuminati" bloodlines. By 1917, the London-NY-Alliance got control of the US Mainstream Media (Congressional Record of 9 Feb 1917). This was very important to "Team Antichrist" as it urgently required this control before the USA's entry into WW1.

#5: 1933: FDR's Proclamation of an UNLIMITED "EMERGENCY"

In March 1933, FDR signed the Emergency Banking Act at the height of the pre-designed Great Depression. This cemented "Illuminati" control over the US economy and placed the USA under Central Economic Planning so as to align it with communist Russia. Ultimately, all world-communism is run by London's Marxist Fabian Society. This was a successful coup d'état placing the USA under the control of London's bankers and in a state of emergency from which it has never yet emerged. The Fed destroyed Free Capitalism and enforced communist centralization.

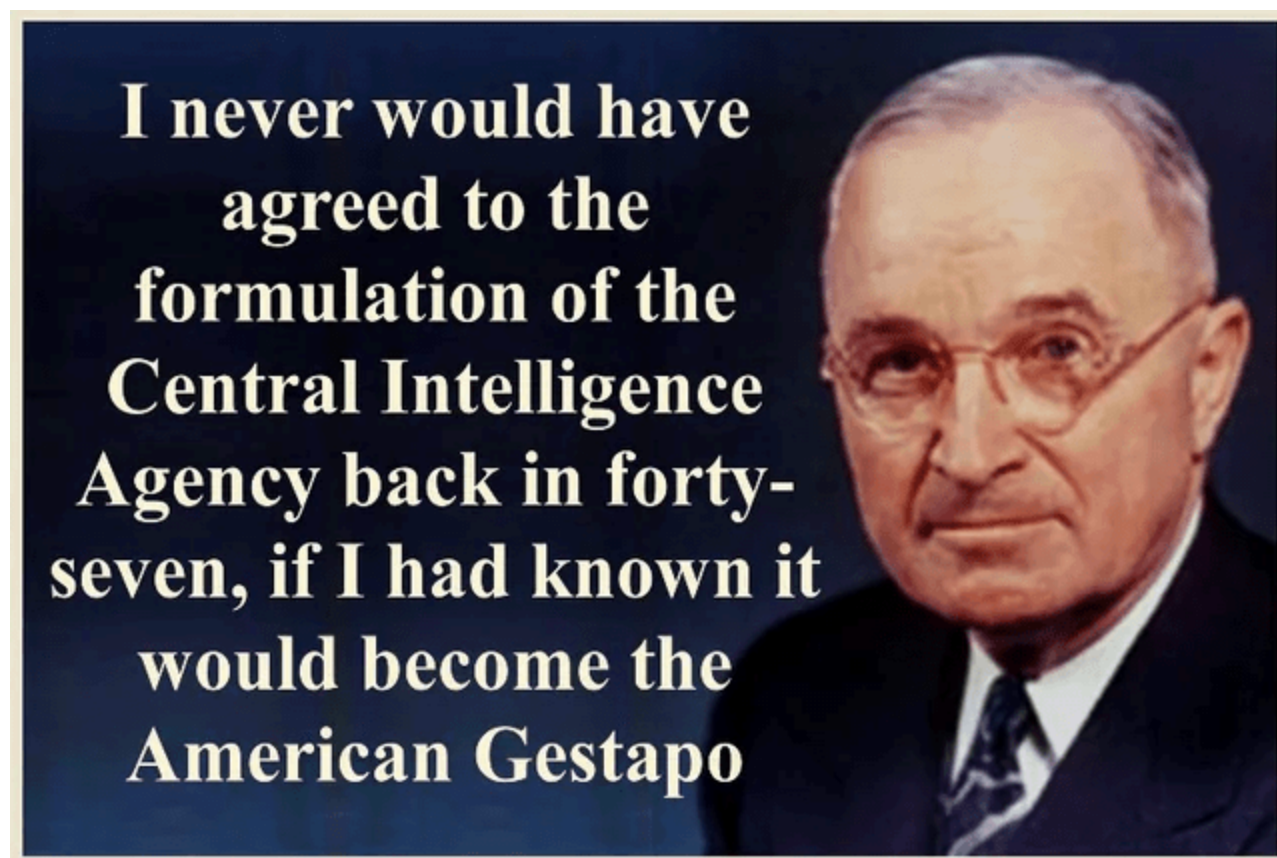

#6: 1933: The "Business Plot" or "White House Putsch"

This was a failed coup d'état by a group that was to be led by Smedley Butler, but ultimately backed by "Illuminati" bloodlines including DuPont, Morgan, and Rothschild, who offered Butler an army of 500,000 and unlimited funds. In order to foil the plan, the anti-authoritarian Butler first went along with it to get more information but then exposed the entire coup d'état. Even so, by 2001, the "Illuminati" had completed the same coup d'état in multiple stages. Ultimately, all fascism derives from Zionism, and the "Illuminati" bloodlines are all Zionists. QUATUOR CORONATI based both Zionism

and Nazism on the supremacist ideology of the Talmud, which preaches "one master race".

#7: 1947: The National "Security" Act of 1947

The USA's National Security Act of 1947 was a wholly unconstitutional yet successful coup d'état that created the Central Lack-Of-Intelligence Agency (CIA) and the National Security Council (NSC), and enabled the creation of the NSA in 1952, but the Act also transferred huge dictatorial power to secret societies such as Skull & Bones, Bohemian Grove, and Talmudic Freemasonry. This coup d'état was given the seal of approval by 33rd-degree Freemason Dirty-Harry Truman. In effect, the top satanic secret societies became part of the established national "security" apparatus and would later come to completely control that established apparatus. And "Team Antichrist" managed to keep the NSA top-secret until after 2001, and delighted in referring to it as "No Such Agency" till then.

In 1947, the USA was ruled by top Freemasons, such as Dirty-Harry Truman, George Marshall, J Edgar Vacuum-Cleaner (FBI), Douglas MacArthur. Meanwhile, the White

House was infested by Skull & Bones critters such as the Dulles Brothers, McGeorge Bundy, Robert Lovett, Averell Harriman etc. and later the Bush Crime Family. The 2006 movie *"The Good Shepherd"* gave the true story of how the CIA was formed under the aegis of MI6 and within the walls of Yale University. The CIA and all other alphabet agencies are private armies of the "Illuminati".

#8: 1963: The Assassination of President John FitzGerald Kennedy

The assassination President John FitzGerald Kennedy by the London-NY-Alliance was a successful coup d'état that cemented the power of the "Illuminati" and their secret societies, and gave them total control of the executive branch. JFK's assassination involved the CIA, Mossad, and MI6, it was green-lighted by the English monarch, and it was overseen by MI6 spymaster William Stephenson (who was Ian Fleming's real-life "James Bond").

#9: 1981: The attempted assassination of President Ronald Reagan by CIA-Agent GHW Bush

GHW Bush became de-facto president from 30 Mar 1981 until 20 Jan 1989, and then de-jure president until 20 Jan 1993. This was a successful coup d'état that strengthened the CIA and "Illuminati" stranglehold over the US Regime during the 12-year presidency of GHW Bush, and eased the preparation of the Wars for Greater Israel.

#10: 2001: The Zionist Attacks of 11 Sep 2001

The Zionist attacks of 11 Sep 2001 were a successful coup d'état that enslaved Americans even more through the "Patriot" Act, and forced US taxpayers to finance the Wars for Greater Israel of 2001-20, whose essential purpose was to speed the installation of the Antichrist in Jerusalem and to launch the Talmudic "new" world order. If the current plans of "Team Antichrist" come to fruition, the USA will soon cease to be "THE LAND OF THE FREE RANGE SLAVE" and will morph to become "THE LAND OF THE BATTERY-CAGED SLAVE".
